

## California Institute for Quantitative Biosciences

To: BNC Applicant using biological materials in the BNC  
From: BNC Management

Subject: BNC User of biological materials information and check off (Rev 2018 Jun 20)

The following information is required for approval for use of biological materials in the BNC facilities. Please follow the steps below:

- 1). Please fill in the appropriate boxes and print legibly. It is the user's responsibility to ensure that the information below is accurate. Inaccurate information will result in immediate access revocation.
- 2). Interview by Berkeley campus Biosafety office (see campus EHS website: <https://ehs.berkeley.edu/biosafety>). It is the responsibility of the applicant to contact and obtain signoffs.
- 3). Sign off by both PI, BNC User, and campus EHS Biosafety Office is required. If a BUA is required, attach a copy of respective BUA with this application during application submission.
- 4). Completed form must be submitted to the BNC Management office, 121 Stanley.

First Name:	Last Name:	PI name:	
Applicant Email Address:		Applicant UC college, school, and department association:	
In a few words, describe your experiment or research involving biological materials:			
List the biological material you will be using:			
<i><u>I acknowledge that it is the PI's responsibility to notify BNC or campus EHS BSO when there are any changes in the biological materials associated with the above user's BNC utilization.</u></i> <b>PI Signature and Date:</b>		<i><u>I acknowledge that it is my responsibility and accountability to follow all proper EH&amp;S, Biosafety, and BNC safety, operations, and processing protocols. Violations can result in revocation of my access.</u></i> <b>User Applicant Signature and Date:</b>	
Sign off by QB3/BNC (To be filled in by QB3 and campus EHS BSO personnel only)			
BNC Managing Director	Bio Safety Officer (BSO)	Determined EHS BSO BSL level classification:	(If applicable) BUA # / Date:
Paul Lum	Campus Bio Safety Officer	To be provided by EHS BSO.	To be provided by EHS BSO.
